Signor Campanari,  
Madam Melba,  
Signor Caruso.

As said before, the singers are not here in person. It is the Victor Talking Machine.

You can hardly distinguish the difference between it and the real thing. The effect is the same as if an experienced musician were playing.

Come and see the demonstration we want to show you.

**The Inner Player**

Is the only practical self-playing Piano made that is true to the requirements of the non-mechanical.

The difference is that the Inner Player can be played by any one who is able to work the pedals. The effect is the same as if an experienced musician were playing.

## BIG BASKETBALL GAME IN Y. M. C. A. GYMNASIUM

At the Central Y. M. C. A. gymnasium on Tuesday night the fast basketball team of William and Mary College will play the Y. M. C. A. team. The mettle of the association team has not been put to the test by an outside team, but he men have been having practice games for some time. A. A. Booth is the popular captain of the local five. The remainder of the team will probably be made up of the following: H. T. Leake, Colonel T. B. McAdams, L. E. Van Sant, M. F. Lawrence, P. P. Thornton and W. A. Collins. There may be some changes in

the personnel of the team, but this is the way it looks at present. This will be a fast game, and every one who enjoys sport should not fail to be on hand when the whistle blows for the beginning at 9 o'clock. A small admission fee will be charged in order to pay the expenses of the visiting team. Ladies, as well as gentlemen, are invited, and it is expected that many of the former will be present. The game will be sanctioned by the Y. M. C. A. Athletic League, and all the players will be registered either in this body or in the A. A. U., with which it is affiliated.

## TRAP-SHOOTERS SHOWING UP WELL

Management Gratified With the Prospects of Richmond Gun Club.

The management of the Richmond Gun Club feel very much gratified with the prospects of what bids fair to be the most successful season in the history of trap-shooting in these parts.

It is a fact that never before at this time of the year has there been so much interest manifested in this sport, and if the enthusiasm continues to prevail, it will become necessary to work both sets of traps.

These shoots now being held on Saturdays are only practice shoots, the regular season not beginning until April 1st.

When the Great Southern Handicap shoot is held here in May, the visiting professionals will have to be careful lest some of the local amateurs wrest from them their laurels.

At yesterday's shoot "Medico" was high gun, with the good score of 91 out of 100, closely followed by Janowski, with 83.

The many friends of Mr. Keller were glad to meet him again, his score of 87 out of 100 being third.

A most interesting two-man team race was shot between Alexander and Nicol on one side, and Walsh and Johnson on the other. This match was won by Walsh and Johnson by the narrow margin of 3.

There was another contest between MacLellan and Walsh at shooting doubles, MacLellan winning out in the end by one bird.

## YANKEE GIRL TURNED THE TRICK

Beat Out Sir Toddington by a Length in a Drive Down the Stretch.

**NEW ORLEANS, La., March 16.**—Yankee Girl, second choice in the betting, won the City Park Derby at a mile and a quarter to-day. Temacoe, winner of the California Derby, was one of the horses beaten, finishing outside the money.

The horses passed the grandstand after the start with Sir Toddington flying like the wind two lengths in front of his field, which followed closely packed together and with honors about even. In the back stretch Judge Post, on the rail behind Sir Toddington, looked like the contender, but Yankee Girl passed outside of him and began to cut down the pacesetter's lead. Sir Toddington was game, whirling into the stretch with something to spare. Yankee Girl's sprint was well timed and well sustained, carrying her a length to the lead at the finish and both horses finishing tired. Timing was third.

First race—six furlongs—Consideration (4 to 5) first, Zick Abrams (16 to 1) second, Orderly (25 to 1) third. Time, 1:15.4-5.

Second race—steepchase, full course—Kara (3 to 1) first, Dr. Keith (9 to 5) second, Esterjoy (7 to 2) third. Time, 2:34.

Third race—four furlongs—Slippen (2 to 5) first, Parlan Model (15 to 1) second, Coincident (3 to 1) third. Time, 1:07.4-5.

Fourth race—City Park Derby, mile and a quarter: \$5,000 added—Yankee Girl (14 to 5) first, Sir Toddington (2 to 1) second, Timing (4 to 1) third. Time, 2:07.4-5.

Fifth race—seven furlongs—Miss Leeds (6 to 1) first, Passadena (3 to 5) second, John L. Inglis (16 to 5) third. Time, 1:28.1-5.

Sixth race—five and a half furlongs—Gold Proof (even) first, Charlie Eastman (8 to 5) second, Frontenac (21 to 5) third. Time, 1:07.1-5.

Seventh race—mile and one-sixteenth—sallies—Polly Prim (3 to 1) first, James Reddick (5 to 1) second, Reside (4 to 1) third. Time, 1:48.

## GREAT CROWD CHEERS VICTORS

Norfolk Armory Scene of Brilliant Gathering to Witness Athletic Events.

### LATIN SCHOOL THE WINNER

Baltimore Institution Outstrips Universities and Colleges.

[Special to The Times-Dispatch.]  
NORFOLK, VA., March 16.—When time was called at 8 o'clock to-night in Armory Hall for the great Athletic Carnival, under the joint auspices of the Young Men's Association and the Seventy-fifth Regiment, Virginia Volunteer Infantry, the scene in the Armory was a brilliant and inspiring one. Georgetown and George Washington teams were on hand with their top-notch men.

Strong teams also represented Richmond College and old William and Mary, and Old Point Comfort College was there to redeem laurels lost in the Coliseum last year. In addition to the Seventy-fifth Regiment team of soldier boys, a team representing the Richmond Howitzers also appeared.

The Puritan entered a strong team to represent the navy, and the army was represented by a team from Fort Monroe. Great numbers of soldiers and sailors were present. Other teams were those of the Young Men's Association, the Young Men's Christian Association, the Norfolk city schools, and the Army and Navy Preparatory School of Washington.

**Latin School Boys Win.**  
The meet was won on points by the Boys' Latin School, of Baltimore, over leading universities and schools of Maryland, District of Columbia and Virginia, as well as over the Army and the Navy, although the official figures had not been given out to-night.

The meet was witnessed by fully 5,000 people, among whom were many representatives of the Army and Navy, and it assumed a decidedly social air. Among those present were Admirals Harrington and Berry and Lieutenant H. N. Coates, U. S. N., military secretary of the Jamestown Exposition.

The one event in which Georgetown University was entered was won by Miller, of that institution. George Washington, with many entries, took some events with apparent ease, although her men were usually outclassed by the leaders.

The University of Virginia carried off second honors on points, Randolph, of that institution, being one of the star performers of the evening. There were a number of unattached entries. A conspicuous feature of the meet was the remarkable training, endurance and skill displayed by the team of the boys of the Latin School.

**Summaries.**  
Summaries of events are given here: 45-yard novice, won by Gooch, Richmond; Tankard, Norfolk; second, Sigfus Brown, third, Time, 5 3-5 seconds.

45-yard Army and Navy dash, won by Jack, Clifty, Company B; second, Private Brown, third, Time, 5 3-5 seconds.

### ROWE DENIED TRAINER'S LICENSE BY JOCKEY CLUB

Stewards Vote to Give Jockey Henry Spencer Chance to Ride Here Again.

**NEW YORK, March 16.**—The Jockey Club stewards yesterday tabled the application of C. E. Rowe for a trainer's license. It was voted to grant Henry Spencer permission to play again in the morning.

The action in the Rowe case caused considerable comment in turf circles last night. Rowe is the Western trainer who owned Colonial Girl when she won the \$50,000 stakes at St. Louis. He recently sold her for \$10,000.

Among other horses in Rowe's stable last season was First Mate. He was beaten a head for the Brighton Handicap by Rian's Horn. Subsequently Red Friar, a cheap selling-plater, beat First Mate. The latter opened up an odds-on favorite, but as all the Western plunkers bet on Red Friar, First Mate drifted in the betting from 1 to 2 to 1.

Not a price was offered against Red Friar at post time. First Mate ran poorly, and Rowe was harshly criticized for the horse's performance.

The Burns boys, Guy and William, who have been the subject of law-suits here and in Canada between their father and mother, had their applications for a jockey's license laid on the table.

Walter S. Voshburgh will represent the Jockey Club at the Aqueduct and Jamaica tracks during the spring meeting. S. S. Howland, Jennings and H. J. Morris at Baltimore.

## WILLIAM AND MARY NOW CHAMPIONS

Basketball Team Defeats Newport News and Challenges All Virginia.

### WAS A ROUGH CONTEST

Teams, Evenly Matched, Fought It Out in Gladiatorial Fashion.

[Special to The Times-Dispatch.]  
WILLIAMSBURG, VA., March 16.—William and Mary defeated Newport News Y. M. C. A. in the gymnasium here to-night in the closest and roughest game played here this season by the score of 18 to 10. A large crowd turned out to see the game. The game was called at 8:30. From the first the playing was rough. The two teams were nearly evenly matched, and it was plain to all that the game would be bitterly contested, and that victory would be won only by a hard struggle. The numerous fouls show the roughness of the game.

More fouls were called in this single game probably than in all the other games played this season. Both sides started out in a spirited way, but the home team soon got the upper hand, and the first half ended with a score of 14 to 5 in favor of William and Mary. During the ten minutes between halves the gymnasium was the scene of a delicious joy on the part of the students. Ear-splitting yells rent the air and the entire building resounded with the college songs. In the second half the visitors showed their full strength in the beginning, and it looked at one time as if they would even up the score.

They rapidly mounted the score up by a series of brilliant plays. After the first few minutes, however, the scoring was checked, and only two more baskets were thrown by the home team.

The line-up of the teams was as follows:

W. and M. Position, Newport News  
Ellis.....right guard.....Hughes, J. H.  
Schlossberg.....left guard.....Meanley  
Marsden.....centre.....Hughes, H.  
(Captain)

Hall.....right forward.....Burbage  
Dwyer.....left forward.....Hamilton  
Riferson.....Epos, of Newport News.  
Umpire—Withers, of college. Scorers—Jones and Turner. Timekeepers—Roach and Ehrlich.

The championship of Virginia is again claimed for this year by the William and Mary team, the team having won every game played. This claim made by the captain of the team, who says that the team will be disbanded after the game next Tuesday night with Richmond Y. M. C. A., unless a challenge to this title is received. Unsuccessful efforts have been made to secure games with the University of Virginia, George Washington University and Randolph-Macon College, and the team stands ready, says Captain Marsden, to meet any of these who dispute the championship.

### ALLEN & GINTER TEAMS.

Richmond Gems Defeat the Experienced "Recruits."

In a fast game of baseball played yesterday at Spring Hill by two of Allen & Ginter's teams, the result was doubtful until the close. It was the first game of the season, and some good work was done by both sides. The "Richmond Gems" came off victorious for the time of 6 to 4 over the "Recruits" who proved that they were not so new to the game as their name implied. At a critical moment Leake made a three-base hit, which brought in three men, and Morris made a three-bagger and Ward a two-bagger. The line-up was as follows:

"Richmond" Positions, "Recruits."  
F. Clarke.....Catcher.....Wilson.  
H. C. Clarke.....Pitcher.....M. J. Ely.  
Geo. Minter.....Shortstop.....Lee Brooks.  
(Manager)  
McC. Thornton.....First Base.....Morris.  
(Manager)

Roy Minter.....Third Base.....Kidd.  
Jim Davis.....Left Field.....C. W. Foy.  
J. P. Ward.....Centre Field.....McLaurine.  
Tom Eastman.....Right Field.....Baker.

The game was looking in spectacular plays, game was looking in spectacular plays, game was looking in spectacular plays.

Bingham held up fairly well until the eighth inning, when the Carolina sluggers secured sixteen runs and nine hits.

The next game will be played with Wake Forest College, at Wake Forest. The line-up of the two teams was as follows:
